Preamble
Living on-campus at the University of Connecticut is a privilege and is treated as such. Expectations of community living include but are not limited to sharing and negotiating the use of space with others, treating others with respect, communicating with roommates/suitemates/apartment mates or housemates as well as floor-mates, cooperating with Residential Life, and complying with University policies. Residents found to be in violation of community living expectations will be referred to the community standards process.

All residents must accept responsibility for creating an environment that promotes individual growth and builds community through the safe, respectful exchange of diverse thought, opinion, and feeling. Unfortunately, a few students may abuse the freedom inherent in such an environment. Residents who breach the trust that has been extended to them by the University community shall be held accountable for their actions. Students are protected by The Student Code and Connecticut laws related to discrimination or harassment based on bigotry or bias. Harassment, including bullying, will not be tolerated at the University of Connecticut. Pursuant to The Student Code, not every act that might be offensive to an individual or a group will be considered harassment and/or a violation of The Student Code or housing contract. In cases where The Student Code or housing contract may not apply, Residential Life will still consider appropriate educational remedies.

1. PARTIES

This Contract is made by, and between, the University of Connecticut (also referred to as the University), and the student (referred to as The Resident). The University and The Resident, in consideration of the terms and conditions stated in this document, do hereby agree to abide by this contract.

2. DEFINITIONS

The following definitions apply to The 2019-2020 On-Campus Housing Contract:

Billing Contract Year: For billing purposes, a “contract year” is measured from the date the Resident may first begin occupancy. Occupancy dates for most Residents are identified in Section 3.2.

Campus Change: Process by which a student is approved to change from one UConn campus to another UConn campus (either regional or Storrs).

Campus Change Student: Student who has been approved to change from a UConn regional campus to the Storrs campus or from the Storrs campus to a regional campus.

Communication: The University uses an electronic mail system (email) as the official and preferred method of communication. Residential Life will notify residents of changes to The 2019-2020 On-Campus Housing Contract within two (2) days of the modification by means of a University email message and by posting the new information on the Residential Life web page (https://reslife.uconn.edu).

Commuter: Student who attends the Storrs/Stamford campus and do not live in on-campus housing.

Housing Lottery: Process used by Residential Life when demand exceeds supply to determine which continuing students will be eligible to participate in the Online Housing Selection Process. Housing Processes: Housing assignment processes held throughout the year that include Moves to Vacancies, Trading Spaces, administrative moves, and new student assignments.

Online Housing Selection Process: Spring semester process during which continuing students select their housing assignment for the following academic year. Students on the waiting list (refer to Section 3. Exceptions to eligibility include students enrolled exclusively in online courses, students removed from on-campus housing through the community standards process, and students dismissed from the University for academic reasons are not eligible for residence on the University campus for one semester. Students dismissed from the University for academic reasons who are readmitted after one semester may apply for and be eligible for on-campus housing. If returning as a non-degree student after one semester, students are not eligible to live on-campus and are only eligible to apply after having lived off-campus for two semesters.

The University does not unlawfully discriminate in any of its education or employment programs and activities on the basis of an individual’s race, color, ethnicity, religious creed, age, sex, marital status, national origin, ancestry, sexual orientation, genetic information, physical or mental disability (including learning disabilities, intellectual disabilities, and past or present history of mental illness), veteran’s status, prior conviction of a crime, workplace hazards to the reproductive system, gender identity or expression, or membership in any other protected classes as set forth in state or federal law.

Priority is given to full-time degree seeking students. Residents who change from full-time status to another status during the contract period are not relieved of their responsibilities under this contract.

3.1.1 Convictions, Pending Charges, or Removal from Housing: On-campus housing may be denied to students with a criminal and/or behavioral history, including prior receipt of disciplinary sanctions at another institution which resulted in expulsion, suspension, or removal from university housing. Students must share this information on the housing application (or via email to livingoncampus@uconn.edu if after submitting the housing application), and submit the following information in writing to the Associate Director of Housing Services, 1346 Storrs Road, Unit 4238, Storrs, CT 06269:

- Detailed statement of explanation; and,
- Include first/last name, NetID, and contact information in the correspondence.

Once the statement of explanation is reviewed, applicants will be contacted regarding eligibility.

3.1.3 Husky Village: Continuing residents eligible to live in Husky Village include any active member of a social Greek letter organization approved to live in Husky Village, who is a full-time degree seeking student enrolled at the Storrs campus. The prospective resident must be a member of a social Greek organization before moving into the house. Incoming new freshmen are not eligible to live in Husky Village during their first year in on-campus housing.

3.1.4 Students who have an outstanding balance (Bursar hold) relative to their fee bill may be prevented from participating in any housing process, including but not limited to, housing selection, or room changes. The University reserves the right to deny residency to any student with an outstanding fee balance or Bursar hold.

3.1.5 Students who have lived on-campus for eight (8) or more semesters who apply for on-campus housing are automatically placed on the wait list for housing and only offered housing on a space-available basis. Semesters lived on campus are cumulative, including undergraduate and graduate/post-baccalaureate work.

3.1.6 On-campus housing for graduate/post-baccalaureate students and students residing in Stamford Housing is limited and is not guaranteed. Priority is given to “new to UConn” graduate/post-baccalaureate students who submit the housing application by the designated deadline. Students who submit applications and after all available spaces are assigned are automatically placed on the waiting list. Graduate/post-baccalaureate students are limited to two (2) semesters of on-campus housing. Residents with two (2) or more semesters of graduate housing will be automatically placed on the waiting list upon submission of the housing application.

3.1.7 Continuing resident students must meet specified University deadlines to continue residence. On the Stamford campus, continuing residents are not guaranteed housing.
3.1.8 Students who are readmitted, non-degree, non-credit, enrolled part-time (less than 12 credit hours), commuters, or campus change students who have previously lived on-campus are not guaranteed housing. Submitting a housing application places these students on the wait list for housing.

3.1.9 Students who decline housing forfeit any guarantees for future on-campus housing.

3.1.10 This contract may not be transferred or reassigned. This includes subletting.

3.1.11 Providing false or misleading information constitutes grounds for the University to terminate this contract.

3.1.12 Connecticut state law requires that any student residing in on-campus housing have a current meningitis vaccination as a condition for living in the University’s residence halls and apartments. Proof of vaccination must be provided on the student’s Student Health Services Health History Form, or immunization exemption information submitted to Student Health Services in order to occupy a room on-campus during the academic year. Noncompliance will affect eligibility for housing.

3.2 DURATION OF CONTRACT & DATES OF OCCUPANCY

This Contract is effective upon the University’s acceptance of application for on-campus housing. It is binding for the entire academic year or that portion of the academic year remaining at the time of occupancy. The Resident, except under the conditions listed under Cancellations and Contract Release, cannot terminate this Contract. Failure to officially check-in does not release a student from the financial obligations for on-campus housing. Similarly, not returning midyear does not release a student from the remainder of the Contract. An additional charge will be assessed for residents who live in housing outside the established occupancy periods. Students who cancel their Spring 2020 housing must vacate their Fall 2019 assignment by December 16, 2019.

3.2.1 Traditional Residence Halls, Suites, Cordial Storrs House: The occupancy period for newly admitted freshmen residents begins on August 23, 2019 and concludes on December 16, 2019 for the Fall 2019 semester. The occupancy period for all other residents begins on August 24, 2019 and ends on December 16, 2019 for the Fall 2019 semester. For the Spring 2020 semester, the occupancy period for all residents begins on January 18, 2020 and concludes on May 11, 2020.

3.2.2 University Farm Houses: The occupancy period for the University Farm Houses, Birch Cottage and Oak Cottage, begins on August 24, 2019 and concludes on May 11, 2020.

3.2.6 Northwood Apartments (Undergraduate Residents): The occupancy period for newly admitted undergraduate freshmen residents begins on August 23, 2019 and concludes on May 11, 2019. The occupancy period for all other residents begins on August 24, 2019 and ends on May 13, 2019. For the Spring 2020 semester, the occupancy period for new residents begins on January 18, 2019 and concludes on May 11, 2019.

3.2.7 Northwood Apartments (Graduate/Post-Baccalaureate Residents Only): The occupancy period begins on August 24, 2019 and concludes on May 16, 2020. For the Spring 2020 semester, the occupancy period for new residents begins on January 18, 2019 and concludes on May 16, 2020.

3.2.9 Residents are not entitled to on-campus housing outside the established occupancy periods (e.g. Early Arrivals, Winter Recess). In the event that housing is available outside the established occupancy period, additional fees may apply.

3.2.10 Residents agree to vacate their assigned room and officially check out by the date/time the residence halls close or within 24-hours upon:

- Loss of status as an enrolled student
- Failure to register for credit course work by the 10th day of classes
- Upon completion of their final exam
- Effective date of cancellation or Contract Release
3.2.11 Students who are released from/cancel The 2019-2020 On-Campus Housing Contract at the end of the fall semester must move out of their on-campus assignment by the designated closing time (indicated in Section 3.2: Duration of Contract and Dates of Occupancy) and are not entitled to a refund of any portion of the fall housing fees.

3.2.12 When a student is removed from housing as a result of disciplinary action or the community standards process the contract is terminated and no room or board fees will be refunded. If applicable, cancellation fees (Section 8.6 Cancellations) are determined after the results of the community standards process. Students who are removed from housing can reapply for on-campus housing after the end of the sanctioned removal period. Applying for housing at that time places the student on the waiting list.

3.2.13 Students who reside at the Stamford campus for the fall semester and change to the Storrs campus for the spring semester are eligible for on-campus housing at Storrs. Students who reside at the Storrs campus for the fall semester or attend any regional campus and change to the Stamford campus for the spring semester can apply for on-campus housing and are eligible for residence per housing availability.

4. UNIVERSITY RESPONSIBILITIES

4.1 The University will provide a room accommodation to The Resident for a period of one academic year or the portion remaining at the time a resident moves in (limited to the subsequent fall and spring semesters) exclusive of the Winter Recess period unless The Resident is assigned to a facility that remains open during this time or is approved to live on-campus during Winter Recess. Services provided by the University begin on the official check-in dates for the specific area and include access to the assigned building and room.

4.2 In accordance with University policy, the University will provide staff that will help facilitate a living experience that complements the academic mission of the University.

4.3 Exclusive of unanticipated weather events and building system failures that may disrupt service, the University will provide adequate light, heat, electricity, hot water and telecommunication services (limited to video and internet connection) to residents using all available resources. Student rooms shall be furnished.

5. RESIDENT RESPONSIBILITIES

The Resident agrees to pay all fees specified, to observe all rules and regulations of the University of Connecticut and to abide by the Responsibilities of Community Life: The Student Code, this contract and any addendum, as well as other University publications/policies. Residents assume total responsibility for their room/suite/apartment/house and for the behavior and activities which occur within all assigned living areas. Applicants and/or residents cannot exchange money or favors for a room assignment. Failure to fulfill the terms of the above may lead to termination of this contract, removal from on-campus housing, and a community standards process resulting in a sanction, including but not limited to expulsion.

6. RATES AND PAYMENTS

Room and board fees are approved by the Board of Trustees during the spring semester for the following academic year; however, the University reserves the right to make adjustments as deemed necessary and appropriate in the sole discretion of the Vice President for Student Affairs or designee, at any time during the term of this agreement in accordance with Section 11. Revisions. Any adjustment will be communicated in writing to the student by means of University email.

6.1 Newly admitted Storrs freshmen and transfer students must pay the enrollment deposit prior to obtaining access to the housing application. The enrollment deposit is a separate fee managed through the Bursar’s Office.

6.2 Residential area rates and board charges are payable when the fee bill is due to the University (usually by August 1 for the fall semester and January 8 for the spring semester). Assignments may be cancelled by the University if the balance is not paid by the stipulated due date or if alternate payment arrangements have not been approved by the University Bursar’s Office.

6.3 Residents are not entitled to any refund unless that student has been officially released from The 2019-2020 On-Campus Housing Contract pursuant to Section 8.7 Contract Release. Refunds will be based upon the University’s refund schedule. Returning keys to University staff does not constitute the approval of a release from the contract.

6.4 Parking is not included in residence hall fees. Parking permits for any and all areas of campus must be applied for and purchased at Parking Services.

7. ROOM ASSIGNMENT

7.1 Room assignments for new students are made by Residential Life staff. Roommates are matched according to the personal preference information submitted on the housing application.

7.2 The Resident understands and agrees that the housing contract is for a room assignment determined by the University, not a specific room.

7.3 Directory information can be given out in accordance with University policy. The complete policy can be found at http://ferpa.uconn.edu.
7.4 Students who need a specific type of living environment due to a documented medical/health condition must register and apply for a housing accommodation through the Center for Students with Disabilities. It is strongly recommended that any such requests be made by July 1 for the fall semester, and December 1 for the spring semester.

7.5 The decision to reassign is made by the Executive Director of Residential Life or designee in consultation with other professional staff. Residential Life reserves the right to change a student’s housing assignment when deemed necessary, including, but not limited to, the following situations:

- Consolidations utilized as an occupancy management tool
- Reasonable cause to believe that the Resident has violated the living area environment, student code, the housing contract, or University policies
- Unresolvable conflicts within a community
- Facility maintenance/renovation or closing of facility. This includes unresolved ongoing facility issues
- Administrative or programmatic needs
- Students occupying ADA accessible rooms may be relocated by Residential Life if the ADA space is required for a student with accessibility needs

7.6 The designated occupancy of a room is determined by the University and may change at any time. If a vacancy occurs in a room, the remaining student(s) in that room should expect a new occupant at any time. Uncooperative or unwelcoming residents, including but not limited to residents who move their belongings into the vacant space, will be referred to the community standards process which may result in loss of housing privileges, probation, suspension, or expulsion.

7.7 Room Purchase: Storrs residents in partially filled double, triple or four (4) person rooms will be offered after the fall/spring semester Moves to Vacancies process to purchase the entire room for the remainder of the current semester. The room purchase option is subject to the absolute discretion of Residential Life and may not be offered every semester. All requests are subject to approval by Residential Life staff and acceptance by the requesting resident(s). In situations where there is a vacancy in a space larger than a double, all remaining residents must agree to purchase the open space in order for the room purchase to be completed. Furniture will not be removed from any space after a room purchase is approved. A resident(s) who is not approved for a room purchase must prepare the room to receive a roommate(s) at any time. An effort will be made to notify the Resident in advance if another student has been assigned to fill the room. Husky Village residents are not eligible for this option.

7.8 Occupancy of any room is limited to the resident(s) assigned to that room. A Resident who has contracted with the University for on-campus housing may not sublet, loan, assign, or transfer the contract to another person. Only contracted Residents may occupy the room/apartment. Overnight guests are limited (see Section 9. Rules and Regulations).

7.9 All moves must be authorized by appropriate Residential Life staff. Unauthorized moves, including between bedrooms in apartments, may result in the loss of the room change privilege, additional charges, and/or disciplinary action. Students may not move out of or into on campus assignments without authorization of appropriate Residential Life staff.

7.10 After the first day of classes each semester, Residents may not move out of or into Husky Village without authorization from both the appropriate University staff and the organization’s President or House Manager. Residents from other residential areas of campus cannot move into Husky Village. Students in Husky Village are permitted to change rooms only after authorization from both the appropriate University staff and the organization’s President or House Manager.

8. HOUSING POLICIES

8.1 Students must meet University deadlines to retain eligibility for on-campus housing and to participate in housing processes, including submitting a housing application. Students who have non-degree or non-credit status are automatically placed on the wait list for housing if they submit a housing application.

8.2 Housing selection times are non-transferable. Continuing students who are eligible to participate in the 2019-2020 Online Housing
8.3 Should the demand for on-campus housing exceed the number of spaces available for returning residents, a housing lottery will be used to determine which students will receive housing. A lottery process will be announced if necessary, during the previous academic year. Refer to Section 2, Definitions, for more information about the housing lottery. If a lottery is necessary, students will be notified by February 1st.

8.4 STUDENTS GUARANTEED HOUSING AND IN-QUEUE

8.4.1 In-Queue/Pending Housing Roster: Students who are not guaranteed on-campus housing are automatically placed in-queue for housing upon submission of the housing application. 8.5 DINING OPTIONS

8.5.1 Board fees are approved by the Board of Trustees; however, the University reserves the right to make adjustments as appropriate, at any time during the term of this agreement. Any adjustment will be communicated in writing to the student by means of University email.

Students residing in on-campus apartments and University Farm Houses are not required to purchase a resident meal plan, and may purchase any meal plan including options available to commuters.

8.5.3 A meal plan is not transferable. The Resident named on the University ID card must present the card in order to obtain meals or other food. The card may not be used by another individual and may be confiscated for improper use which could result in disciplinary action.

8.5.4 Residents who require a special diet should contact the Dining Services main office at (860) 486-3128. Students will be connected with the appropriate individual to work with them to meet their dietary needs. Depending upon the nature of their needs, an additional charge may be required.

Students may opt to not bring their backpacks in and instead use the lockers that are available. If a student does not have a lock they may borrow one from the Valdine operator. Alternatively, students may check in their bag by filling out a baggage ID tag. Keep the receipt. Upon returning to collect their belongings, the student must show their photo ID and receipt. Dining Services is not responsible for stolen items. The privilege of bringing a backpack into a residential dining facility does not allow the student to use the backpack or bag as a vehicle to remove food. Residential Dining facilities are set up as an “all you care to eat” environment and the removal of food from the dining facility with the exception of a pastry/bagel, beverages, ice cream and fruit that are hand carried out is considered theft and will not be tolerated.

8.7 CONTRACT RELEASE

8.7.1 The Resident can request release from the contract, which is subject to the approval of the Associate Director of Housing Services or a designee. All requests to terminate the contract must be submitted in writing by completing a “Request for Release from On-Campus Housing” and submitted up to 10 business days after the housing cancellation application was submitted or no later than 10 business days after the last scheduled day of finals for the given semester. Requests will automatically be denied if they are not submitted in line with these expectations. A release will be granted only when it has been determined that circumstances are substantially different from the time the contract went into effect. Such releases will be considered for the following reasons:

- Academic withdrawal or dismissal from the University, verified through the PeopleSoft System. Refunds are based on the University Refund Schedule. Students who applied for and were assigned to on-campus housing but withdraw from the University will be given 24-hours from the effective withdrawal date to officially check-out of the residential assignment. After this 24-hour-period, the Resident will be charged a daily housing and meal rate (if the student has a meal plan) until he/she has officially checked out of the halls.
- December Graduates (Refer to Section 8.6.7 Cancellations).
- Affiliation with University of Connecticut programs that are outside a reasonable commuting distance from campus (e.g., Education Abroad, internships, Co-op, student teaching).
- Extreme, unanticipated financial hardship not present or known at the onset of the Contract.
- Serious medical or health problems that cannot be accommodated successfully in any available on-campus living option.
- Husky Village contract releases must also be approved by the organization as this may result in a financial burden to the fraternity/sorority. A release approved from an organization and agreed upon by Residential Life will usually result in The Resident being reassigned elsewhere on-campus.

8.7.2 Supporting documentation must be submitted with the “Request for Release from On-Campus Housing” form. A release will only be granted if it is determined that the situation cannot be relieved by relocating the student to other on-campus housing.

8.7.3 Reducing course load from full-time to part-time does not automatically constitute grounds for release from this contract.

Residents who lose their room or mailbox key, or fail to return keys upon vacating the room, will be charged accordingly.

8.10.3 Residents who fail to check out of the room with a staff member upon vacating that room forfeit the opportunity to contest room damage charges.

8.10.4 Residents granted a contract release/cancellation must follow check-out procedures and must remove all belongings. Failure to do so may result in a reduction of refund if one is due, or may result in additional housing charges.

All items will be reused, donated or discarded. Any such items are deemed to NOT be “Abandoned Property” under Chapter 32 or “Lost and Unclaimed Property” under Chapter 859 of the Connecticut General Statutes.
