THANK YOU HUSKIES!

Residential Life would like to thank you for your commitment in abiding by all quarantine policies during our residential quarantine. As we begin the remainder of the semester, please remember the following:

☐ **NO guests** are allowed in your residential room/suite/apartment. *(Guest is defined as anyone not assigned to your residential room/suite/apartment. You cannot host other family unit guests in your space).*

☐ Residents should plan to remain on-campus and limit any off-campus travel for the duration of the spring semester.

☐ Upon request, residents will be required to submit to periodic testing for COVID-19.

☐ Residents must comply with all University Guidelines and State of Connecticut public health mandates regarding face masks and physical distancing in public spaces.

**Common/Public Space Usage**

Residents are permitted to use common, lounge, and public spaces within the residence halls.

Residents must continue to wear face masks, physically distant themselves, and follow the posted lounge capacities.

You are able to have other residential guest(s) visit in your lounge and game room spaces. You must follow the posted lounge capacity signs.

You are able to consume food/drink in our lounge/game room spaces. You must be actively eating and then promptly put your face mask back on. We also recommend washing your hands and cleaning up your eating space.
